

See your cashflow in real-time with online billing, banking & accounting.

# ALL YOU NEED TO RUN YOUR BUSINESS

## Online accounting

See your cashflow in real-time. Just login anytime, anywhere.

## Financial reporting

Up-to-date reporting with quick links to all the original transactions.

## Payroll

Do pay runs and track wage expenses or connect with your payroll system.

## Pay bills

Manage your spending and make bill payments in bulk to creditors.

## Free online support

Unlimited, around the clock email support and detailed online help centre.

## Bank reconciliation

Automatically import and code your bank transactions.

## Invoicing

Create and send invoices automatically and get paid online.

## Expense claims

Handle personal expenses – just review and approve receipts.

## Inventory

Track stock movements and make invoicing even easier with inventory items.

## Multi-currency

Reconcile foreign currency accounts. Gains and losses are calculated for you.

*I think I may love Xero a bit too much. It's addictive. And fun. Which for an accounting system must be unusual!*

@RachelProsser

*I have to say after struggling with quickbooks, you guys have nailed it. I never thought I would look forward to accounting*

@ppedrazzi

*#Xero is amazing - total control is just a click away!!!!*

@copycabana
